WALK IN THE LIGHT: A STUDY OF 1-3 JOHN

THIS WEEK'S CHALLENGE:

- Read a chapter a day, 1 John 1-5.
- Identify contrasts in each chapter, e.g. light vs. darkness.
- Mark each contrast with a vs. and summarize the contrast.
- Every day this week, ask God to help you walk in the light:
 To believe what's true, to do what's right, and to love others.

John employs the literary feature of opposites that contrast to encourage us to remain true to what we have been taught. The use of contrasts distinguishes the genuine believer from the false one. There are at least a dozen contrasts that are fairly easy to identify.
